

BIG TIME MURDER!

* John Richard Big III, the head of the Big Family Estate and Chief Executive of the Big Family business empire, has been murdered. The evidence seems to be abundant, however no one at the agency, or the country for that matter, wants to touch this one.

Tons of conflicting evidence, sabotage done from the shadows, news stories being killed, family members who can't tell the truth if their lives depended on it, the big family's endless list of enemies and the massive media coverage means we will never find out how he died and this case will be left unsolved... until now.

What do you do when the finest detective and police minds in the country aren't interested or have been removed from the case?

You go a step higher – 10th graders. Yes, those hard working, responsible super sleuths of the classroom! Now it is up to you and your partner to solve this case! You and your partner must find the killer and keep the spirit of justice alive! Good luck!*
