Vodun not involved in the earlier events of creation act as caretakers of the Earth, Humanity and All Life on It

Nana Buluku creates the universe, then the SUN (Lisa) and the MOON (Mawu). After doing this she retires and leaves Lisa and Mawu as the Supreme Beings.

Lisa and his wife Mawu produce the 2nd Generation of Vodun who help her create and order the cosmos

Mawu creates the Earth, Humanity and all Life on Earth. Aido Hwedo lifts the heavy planet into the heavens and holds it and heavens sky in place.

Oba Koso sires most other lesser Vodun
